Paddy Behan and Louise McGuirk did great work on the draw night selling €675. Congratulations to all the winners, especially Ella Kennedy Burk who won the €3k. Pity it wasn't a local that won but demonstrates the integrity of the draw.

### Correspondence:

- LGFA running course for Go Games ref.

### Team News:

- €10 GAA National Club Draw. 159 sold in 2019 (+ The ones sold at the dinner dance). 163 sold in 2018. GAA fund prizes so every ticket sold is profit for Suncroft GFC. Big push please over next month as we only have to the 21<sup>st</sup> of February to sell the tickets.

- Between registration, golf classic and other bits an pieces Mikey targeting €8k from the senior lads team
- Fundraising Committee to organising a club underage raffle for April/May. Majority of registrations will be complete at that point and most underage teams back training and playing. Wont impact on the golf. Every player on every panel give 5 €5 tickets to sell.
- Paddy, Pat, Mag & John Troy looking at Grass Maraton. Maraton on the Curragh, on grass, possibly in conjunction with the race course. Run together as fundraiser for Suncroft GFC, Athletics and Jockey Injury fund. Events of this kind would need to be flagged many months in advance. John Troy talking to Kildare Athletics to see what supports would be available and what issues might arise.

## Facilities Management

- Grass needs fertiliser, broad leave weeds killer and a roll. MK to talk to Colm Keane.
- Tender and pricing currently under way for pitch side hand railings and dugouts. Ideally a hand rail between the soccer and GAA pitch would be installed but that would require both the GAA and soccer to give up a bit of their pitches. Hand rail would need to be c. 2.5m from each side-line, so 5m needed between pitches. Space there but relocating goalposts would be a big undertaking.  
Grant €17,632. Club will have to contribute a minimum of €882. Budget for works €18.5k.

- Grass on training area not growing as it should. Soil sent for test to see what's missing.
- Anti-climb non-drying paint put on top of dugouts and container. Will be a bit of smearing until all the kids realise that they can't climb, and the novelty wears off.

## AOB
